## **Information and Show Policies**

### **Show Location**

**Bronte Creek Equestrian** - formerly Hendervale Equestrian Complex  
5244 # 1 Sideroad, Milton [www.brontecreekequestrian.com](http://www.brontecreekequestrian.com)

This facility has one of the largest indoor arenas in the Greater Toronto area with the competition area measuring 94' x 222. There is also a holding area for horses and spectator bleachers at the entry end. Facilities include a pine panelled, modern main ring with a spectator area at one end, plus an adjoining warm-up indoor ring connected by a short indoor chute. There is a heated snack bar room in close proximity. The number of stalls available is limited.

### **Directions:**

**From 407 or QEW** – Exit at Bronte Road/Hwy 25. North on Bronte Rd to Burnhamthorpe Rd (first road north of 407) and turn left. Cross over Tremaine Rd and Burnhamthorpe becomes #1 Sideroad.

**From Hwy 401** - Exit at Hwy 25/Milton. South to stoplight at Steeles Rd. Turn right on Steeles and go to Tremaine. Turn left. Continue south to # 1 Sideroad and turn right. # 1 Sideroad is the first road on the right after # 2 Sideroad. Watch for Burnhamthorpe Rd sign.

**From # 1 Sideroad** - Continue a short distance to the stable entrance (dark green buildings/barns/arenas) on your left. Note – railroad tracks crossed over on # 1 Sideroad are active so show caution crossing. Follow stable road around the green barns to the fork in the driveway.

**If Stabled** - Turn right at the fork to unload along this green barn. Watch for "Show Stalls" sign on the second door of the barn. Your stall(s) will be labeled with your name. Please then circle around the barns and take your trailer to the Ship-In Parking lot to allow room for others to unload/load.

**If Shipping in** – NEW FOR 2009 - Turn left at the fork in the driveway. The Ship-In Parking is just a bit further along the driveway to the right beside the first outdoor ring. Please do not park trailers by the barns/arena as the space will become too congested.

For over fences classes a 3 refusal limit will be applied for scoring and pinning purposes but horse and rider will be allowed to continue to complete the course with management's discretion as long as progress is being made, subject to inordinate delays. 4) Each height level has 3 classes over fences, and classes may be entered individually 5) Cross entering between heights is allowed.

**Competitors and trainers are encouraged to use ring time available prior to the show starting and during breaks, plus use a lower height class(es) as warm-up for inexperienced horses and riders.**
